

# 5072 Buckboard Drive, Copperopolis CA 95228

3 Bedrooms 2.5 Bathrooms 1976 Square Feet on 20.11 Acres

\$725,000

Welcome to this inviting home on Buckboard Drive in Copperopolis, CA. A ranch-style single-family home on a large 20.11-acre lot within the desired community of Diamond XX. Perched on the hill overlooking the property sits a three bedroom, two and half bath home commanding 1,976 of living space. The home has a formal dining area, family room with a beautiful wood stove, separate living room, primary bedroom with a balcony and sitting area. The 20.11-acre lot is fenced, includes a large barn with electricity and water, and has a seasonal pond. The property is suitable for horses and other livestock. It features panoramic views of the surrounding hills, mountains, and pasture. Two-car garage, and RV access/parking. The interior features cathedral and open-beam ceilings, and a wood-burning fireplace. The property is on a private well and has a septic system. This is a fantastic opportunity for ranch style living. A previous owner had a landing strip on the property for small aircraft. This panoramic property is surrounded by foothills, historic gold country, and destinations like Yosemite National Park. Endless possibilities.
