

3309 Golf Links Road, Ceres CA 95307

4 Bedrooms 3 Bathrooms 3558 Square Feet on .51 Acre

\$900,000

Don't miss this spectacular custom built home with stunning views of the River Oaks Golf Course & the Tuolumne River! An impressive gardeners delight, this home sits on a beautifully landscaped 1/2 acre hillside lot with the front 9 view from the front of the home & a view of the back 9 from the rear deck. Enjoy entertaining from the beautiful custom rear deck & large outdoor kitchen with built in bbq, fridge, sink, storage & more. The massive 3 car garage with loads of built-in cabinetry & workbench along with the expansive front driveway gives a great view of the front 9 holes of the golf course. Upon entering the home, you will find beautiful custom touches & plenty of built-ins & storage throughout the home. This property boasts a separate living room, family room, & a formal dining room just off the kitchen. In the kitchen itself, the centerpiece is the unique oven/stove & the custom island with sink & electric cooktop. There is also a 2nd built in oven & microwave to provide for all your baking needs. Downstairs you will also find the laundry room, 2 bedrooms (one with outdoor access & one with access to the sunroom), as well as a full bath and half bath. Upstairs this home has 2 master sized bedrooms, each with their own full bathrooms. This property is truly a must see!
