\$530,000

Welcome to 3041 Point Grey Rd Ceres, Ca. This move-in ready single family home offers a significant layout made up of 4 total bedrooms and 2 1/2 bathrooms; built in 2007. Once you enter, you are greeted with a beautiful, large living room including windows that present delightful lighting, vaulted ceilings, and an open floor plan! Moving over to the kitchen, that provides elegant quartz counter tops and back splash, along with white cabinets, a pantry for your nourishments, stainless-steel Samsung appliances, hardwood flooring, brand new lights and interior paint. Head on up the stairs to where the 4 bedrooms are located; all including large walk-in closets. This spacious master bedroom includes a relaxing tub where you can come wind down after a long day. The master retreat bathroom also includes sophisticated marble countertops, double sinks, walk in tub with shower. Owners recently installed new HVAC system and water heater. The front and backyard require low maintenance; including a large custom-made storage. Easy access to Highway 99. Invite your family and friends over for a summer BBQ and make this home your own!
