HOMESMART
PV and Associates

3-4 Bedrooms 2 Bathrooms 1914 Square Feet on .1633 Acre

\$545,000

Discover the epitome of comfort and style in this single story residence. This home is a true haven, offering three, possible four spacious bedrooms and two well-appointed baths, perfect for families or those who appreciate the luxury of space. Room for a home office, or craft room. The interiors are graced with elegant window shutters and lustrous wood floors that bring a sense of enduring beauty to the main living areas. The unique dual fireplace serves as a focal point, enriching both the family and living rooms with a cozy ambiance. Culinary enthusiasts will delight in the kitchen, featuring a modern gas stove and sleek solid surface countertops that marry functionality with chic design. Recent upgraded A/C unit ensures year-round comfort. Step outside to the low-maintenance backyard, an exquisitely designed oasis ideal for entertaining or tranquil relaxation. This home is not just a dwelling but a lifestyle choice, promising a seamless transition for those aiming to settle in a new abode by the upcoming school year.
