

2644 Remy Javier Street, Tracy CA 95377

3 Bedrooms 2.5 Bathrooms 1820 Square Feet on .18 Acre

\$714,900

Gorgeous single story home built in 2015! Large premium lot with low maintenance landscaping and room for a pool. Covered Patio and stamped concrete, with an additional small patio at the back of the yard. Tile roof, dual pane windows, fire suppression system, and central heat and air. The formal entry and kitchen have tile flooring, and the main living areas feature Cortec Pro impact and dent resistant laminate flooring. Great room open to the kitchen, features granite counters and quartz-topped island. Great location, with nearby shopping, and park and bus stop in walking distance.
