Location, Location, Location! This home has it all! Pool, RV parking, large lot, 3 bedrooms, 2 bathrooms, almost 1600 square feet and is located in a very desirable neighborhood of Escalon. The back yard is ready for summer fun with a beautiful built-in pebble tec pool, covered patio, small garden area and a lemon tree. If you're looking for a home that you can park your RV, boat or toys this is the home for you! If you don't have an RV this space would be great for another patio area in the back yard. The living room features a fireplace with pellet stove insert and windows that look out to the grassy area of the park. The kitchen has freshly painted cabinets, breakfast bar, new kitchen appliances, including a new stainless steel farm house sink and kitchen is open to the family room. Both bathrooms are updated. Built in 1980 this home offers plenty of space both inside and out. Be sure and put this home on your list to see!
